

## Grenfell Tower Inquiry

### Financial Report to 31 March 2024

#### 1. Overview

The information in this report sets out the expenditure for the Grenfell Tower Inquiry for the period 01 April 2023 to 31 March 2024, totalling £3.3m. It also sets out the total Inquiry expenditure over the period 01 August 2017 to 31 March 2024, totalling £173m. Costs are recorded on a resource accounting basis and audited by the National Audit Office as part of the sponsoring Department accounts (in this case those of the Cabinet Office.)

Since the last cost report was published, covering the period to March 2023, the Inquiry Panel and team have continued to work on drafting and preparing the Inquiry's final report, which will be published on 4th September 2024. A final costs report will be produced once the Inquiry concludes.

The table below sets out Inquiry expenditure over the period covered by the last Financial Report - August 2017 to March 2023 - and then from April 2023 to March 2024.

Item	Item Expenditure August 2017 to March 2023 (£,000)	Expenditure April 2023 to March 2024 (£,000)	August 2017 to March 2024 (£,000)
Inquiry Chairman, Panel and Counsel	28,164	1,444	29,608
Core Participant Recognised Legal Representation	69,656	-1,785	67,871
Inquiry Assessors and Experts (including experts' scientific investigations)	13,466	202	13,668
Inquiry Secretariat, Accommodation and Operational Costs	36,870	2,120	38,990
Hearing Room support services and Legal Technology services	21,812	1,264	23,076
<b>Total</b>	<b>169,968</b>	<b>3,245</b>	<b>173,213</b>

*\*The inquiry's actual spend on Core Participants' Legal Representative in 2023/24 financial year was £122,000. The negative figure is due to the suppliers over-estimating on their 2022/23 billing which resulted in a credit figure. As costs need to be recorded on a resource basis, each supplier needs to confirm their estimated billing for the 2022/23 financial year to capture the costs for that particular financial year.*

## 2. Inquiry Chairman, Panel and Counsel

### 2.1 Chairman and Panel

The Chairman of the Inquiry received remuneration from the Inquiry of between £230,805 and £241,797 for the year April 2023 to March 2024. There were no expenses or accommodation allowance claims in this period. The Chairman of the Inquiry is appointed by the Prime Minister and is remunerated in line with standard rates for retired members of the judiciary. HM Courts and Tribunals Service records and charges the Grenfell Tower Inquiry for the Chairman's remuneration. The Prime Minister has appointed two panel members to serve the Inquiry alongside the Chairman. Panel members are appointed by the Prime Minister under sections 7 and 8 of the Inquiries Act 2005, with the consent of the Chairman.

### 2.2 Counsel

By the end of March 2024, the Inquiry had appointed 59 members of Counsel, including 3 KCs and 56 Junior Counsel. Not all of these have worked concurrently or full-time. All Counsel to the Inquiry are appointed under the authority of the Chairman, Sir Martin Moore-Bick, who delegates responsibility for sourcing and agreeing terms of appointment with individuals to the Solicitor to the Inquiry.

## 3. Core Participant Recognised Legal Representation

39% of the Inquiry lifetime expenditure relates to the legal expenses of Core Participants of the Inquiry. These are costs for legal firms who represent the victims of the fire and those Core Participants determined by the Chairman to be disadvantaged if not provided with legal support by the Inquiry. As of March 2024, 24 solicitors' firms had been accepted for funding by the Inquiry. Funding was paid for 5 Whole Time Equivalent (WTE) QCs, 8 WTE Junior Counsel and 132 WTE other fee earners.

The core participants who receive funding for their legal representation are:

- all the Bereaved, Survivors and Residents
- the Fire Brigades Union
- Fire Officers Association
- Osborne Berry
- Kevin Lamb T/A Bespoke Designs

Applications for costs are controlled under the framework set out in the Inquiries Act 2005 and the Inquiry Rules 2006. The Inquiry operates a protocol relating to legal representation at public expense and all claims are scrutinised by the Solicitor to the Inquiry to ensure that they are appropriate under the protocol.

## **4. Assessors and Expert Witnesses**

### **4.1 Assessors**

The Inquiry has three assessors who were appointed by the Chairman in consultation with the Secretary to the Inquiry, to assist the Inquiry. Assessors provide specific experience or expertise which has been determined to be of value to the Inquiry.

Up to the end of March 2024 the Inquiry had appointed 16 expert witnesses across a range of disciplines in order to ensure the Inquiry had sufficient supporting knowledge. Where it is deemed an expert is required, the Inquiry reviews suitable candidates and provides clear requirements and terms to the selected individuals on an individual basis. Inquiry experts' costs are based on an agreed daily rate plus any pre-agreed support team or materials they may require depending on the nature of their investigations and any testing they may need to undertake.
